2. **Six hours of quality-assured child development training** (if you have completed TECE I or have college/university credits, a transcript will meet this requirement)

Training can be located using these websites:

- <http://depdnow.com/> (free online training)
- <https://dieecpd.org/pd-opportunities#quality-assured> (class-based training for a fee)

3. **Three hours of quality-assured positive behavior management/social emotional development training**

Training can be located using these websites:

- <http://depdnow.com/> (free online training)
- <https://dieecpd.org/pd-opportunities#quality-assured> (class-based training for a fee)

4. **Child abuse and neglect training**

Training can be located using this website <http://depdnow.com/> (free online training).

5. **Health and safety training in the following topics:**

- Prevention and control of infectious diseases, including immunization
- Safe sleep practices, including prevention of sudden infant death syndrome
- Prevention of shaken baby syndrome and abusive head trauma
- Prevention of and response to food allergies
- Building and physical grounds safety
- Emergency preparedness and response planning
- Storage of hazardous materials and biocontaminants
- Safety measures in transporting children, if applicable

This required health and safety training can be located using this website
<http://extension.psu.edu/youth/betterkidcare/on-demand> (online training \$15 fee)

6. **Administration of Medication, if applicable**, if you plan to administer medication you will need to locate the registration form on OCCL's website at <http://kids.delaware.gov/occl/fcc-providers.shtml>. Print it and send it to OCCL with a money order for \$10 to register to take the test. You will need to study using the study guide on OCCL's website. Once you pass the test, you will be issued a certificate that allows you to administer medication.
